Dear Cousins:

Perhaps you know we are in the process of writing Volume III of The Merwin Family in North America.

Will you please give me any needed correction or addition to your family entry (enclosed) so that we may include you and yours in Volume III? Also, give me a brief biography of you and your spouse as indicated below.

Since you were born a Merwin, you and yours will be in the book without question; however, this is a massive and expensive project and we believe you would enjoy membership in our Association. We would be pleased if you would join us. A dues form is enclosed for your convenience.

Best regards,

Merwyn R. Buchanan

A note on your dues notice informed us of the birth of your grandson, Christopher. Congratulations! We were unable to place a notice of this happy event in *Milestones* No. 100 because of space limitations. However, it will certainly be in the next issue.

Would you please have your son fill out the enclosed Merwin Family Record sheet? That will give us all the information we like to include in a notice, and add to our genealogical records.

Your help will be much appreciated.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their spouse and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for \$10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please review the enclosed entry and give me any needed correction or addition. I would appreciate a reply to this letter even though you may have no change to make so I may close your file.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their spouse and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for \$10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please review the enclosed entry and give me any needed correction or addition. I would appreciate a reply to this letter even though you may have no change to make so I may close your file.

Best regards,

Merwyn R. Buchanan

HOUSE RENOVATION CHALLENGING TO NEW OWNER

The following information has been excerpted from a newspaper article submitted by Daniel Earl Merwin, Association member from Hettinger, ND. It was written by Karen Avitabile and date-lined Durham, CT.

✓ One of the finest examples of 18th century farmhouse architecture is located on Main Street in Durham, ~~CT~~ located in the Historic District, ~~the~~ the 2-1/2 story house still retains wide floor boards, slanted walls, irregular panels, ancient glass, H-hinges in the dining room and intricate moldings.

✓ To some, the Daniel Merwin House of 1721 might just be an ordinary, old-fashioned building. But to Myron Camozzi, it is a dream house. The house, located on the east side of Main Street, is south of Talcott Lane and North of Merriam Manufacturing Co. It contains thirteen rooms and is situated on almost 1.5 acres. Camozzi purchased the house for \$285,000 after it had been on the market for about four years. Until the purchase, the house had been owned by Notre Dame Church. In the 268 years the house has been standing, there have been only eleven previous owners, according to Milton H. Whited's Durham's Heritage.

According to written summaries about the house, Miles Merwin immigrated to America from Wales in 1630 when he was ten. He settled in Milford with his aunt and uncle. Daniel Merwin, grandson of Miles Merwin, purchased the house, barn and six acres of land on April 13, 1721 from Nathan Camp. Lt. Miles Merwin, Daniel's second son, occupied the house next. He fought in the French and Indian War under the command of Col. James Wadsworth. Job Merwin, the third son of Miles, was the next Merwin to live in the house. In 1809, he was elected to the General Assembly and was elected a justice of the peace in Durham in 1812. He left his estate to his wife who in turn left it to her daughter, Mary Ann Bowers. After Bower's death, the house was bought by John Clark who built an addition to the back. The addition was built sometime between 1860 and 1888 and included a sink room on the first floor and three small rooms on the second. In 1888, William P. Hubbard purchased the house and it remained in his family until

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please complete the enclosed Merwin family record sheet and return it to me. Also please fill out a brief biography of you and your husband as suggested below.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of \$10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If there is no reply to this letter by July 15, I shall assume you are not interested and omit your entry from Volume II.

Graduated from high school in May of 1982. married Mark in August of '84. Started college in Sept of '86. Mark has been employed for Sno-White linen for 5 years and is currently going to school to get his nurse aide certificate. We have no children and don't plan to for awhile. Mark and I attend First Church of the Nazarene now. I have worked at the VA Medical Center for 1 year now. Neither has any military experience.

We're just a young couple trying to make it in this world, enjoy being outdoors fishing, camping, hunting, etc.
